

Sean, 15 years old.

Here's what he would like you to know about him:

**Some of my favorite things:**

I love random facts, telling jokes, keeping busy, and history class in school.

**Some activities I enjoy:**

I enjoy music (except opera), being active, playing pool, fishing, hunting, playing sports (especially baseball), and playing magic card games.

**My favorite foods:**

I like lasagna, mangos, and nachos. I don't care for peas, brussels sprouts, or asparagus.

**What I want in a family:**

I want a family that has pets and youth around my age in the area. I want a family that understands my emotions and allows me to be myself and not judge me. I do not want alarms on my door. I would love to go to the ocean and travel because I like to be active.

**What we want families to know about Sean:**

Sean is a bright, outgoing, and resilient youth. He enjoys baseball and other sports, animals and being outdoors. Sean enjoys school for the most part and understands the value in receiving an education. He has a connection with some of this birth family that he would like to maintain.

**What we are seeking in a family for Sean:**

Sean needs parents who can provide a nurturing environment, set clear and firm limits, and provide consistent boundaries, are willing to participate in any recommended trainings and therapy sessions, can be patient and loving even when his behaviors are a challenge, can be affectionate and patient and are energetic, outgoing, and active.
